

OROFLEX 20 HOSE RETRIEVAL SYSTEM

20' Gooseneck Trailer holds more
than a mile of 8" Oroflex 20 hose.

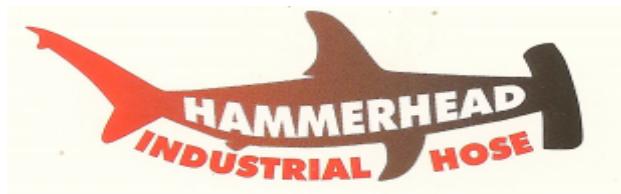

Rollers on the frame and
the oversized tire prevent
the hose from rolling
between the frame and
tire

Hydraulic Lift easily allows 8" couplings
to roll through the Tugger

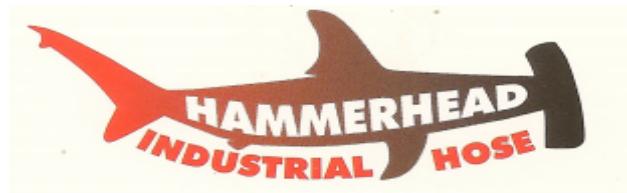

1 1/8 of a mile with
couplings

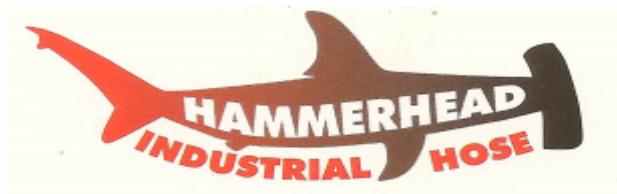

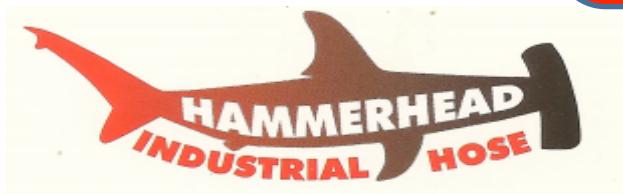

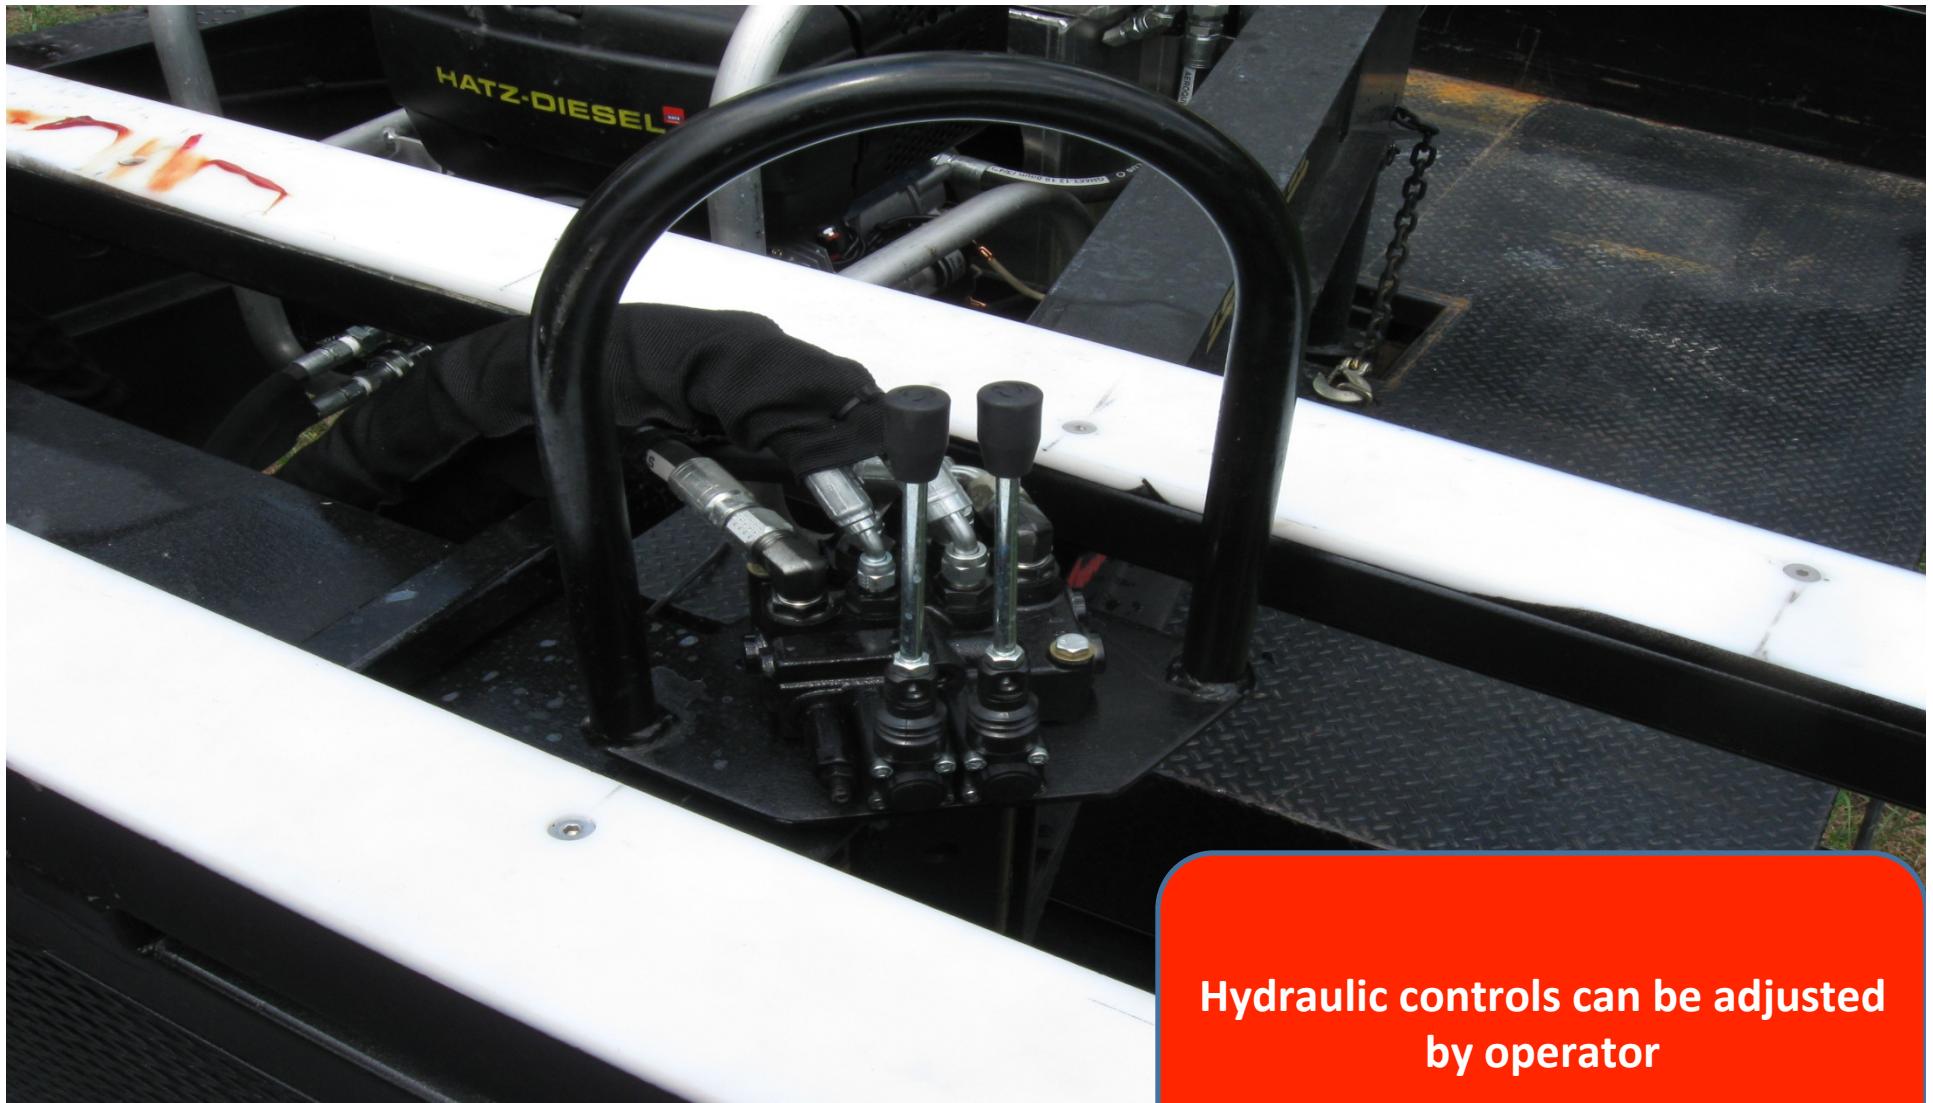

Clear pathway for Tugger operator with doors for added safety

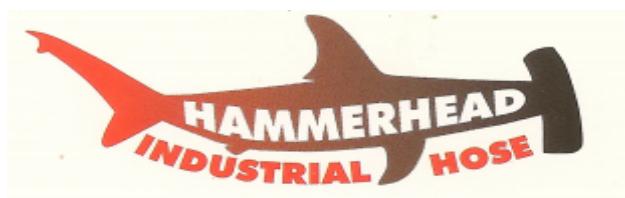

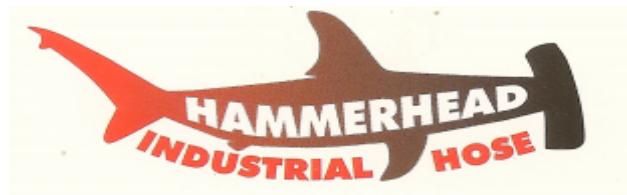

Hydraulic controls can be adjusted
by operator

8 660' 8" hoses and 14 short length hoses.
Total capacity in picture is 1 1/8 mile
